SPECIAL SCREENINGS

OTWAY THE MOVIE (12A) + Live Q&A

Thurs 15th August at 7:45pm

John Otway will take part in a special Q&A and perform a couple of songs following the screening... a must for fans!

This surprisingly good film charts the all too frequent lows and spasmodic spectacular highs of this one man's ongoing reach for stardom.

Featuring classic archive film and TV footage plus interviews from family and antagonists universal in their estimation of his talent, it shows just how much can be made out of just how little. Analysing the disastrous decisions that led to 25 years out of the limelight before returning once again to the top, it demonstrates all too well the pitfalls of the rock 'n' roll dream.

Tickets priced £10 (£9) available in advance via www.wegotickets.com/hbpicturehouse (booking fees apply) and from the Picture House during opening hours (no booking fees, cash only & no telephone bookings). All seating is unreserved.

Shot during Morrissey's most intimate gig in decades at the Hollywood High School in Los Angeles in March 2013, tickets to the concert sold out in just 12 seconds. The first authorised Morrissey film for nine years and featuring many classic tracks from the artist's prolific repertoire, Morrissey 25: LIVE is an unmissable cinema event for fans worldwide.

Tickets priced £10 (£9) available in advance via www.wegotickets.com/hbpicturehouse (booking fees apply) and from the Picture House during opening hours (no booking fees, cash only & no telephone bookings). All seating is unreserved.

Othello, newly married to Desdemona, who is half his age, is appointed leader of a major military operation. Iago, passed over for promotion by Othello in favour of the young Cassio, persuades Othello that Cassio and Desdemona are having an affair...

Filmed with the startling immediacy of unfolding history, Academy Award-winning director Alex Gibney's documentary details the creation of Julian Assange's controversial website, which facilitated the largest security breach in US history.
