### GODZILLA MINUS ONE (15)

The king of monsters is back with Godzilla Minus One, which takes the legendary atomic lizard back to its post-war roots for the most terrifying incarnation yet. After seventy years, the longest-running film franchise of all time is still delivering kaiju thrills with complex human undertones. Written and directed by Takashi Yamazaki and starring Ryunosuke Kamiki and Minami Hamabe, Godzilla Minus One takes place in a devastated post-war Japan. When a new threat emerges from beneath the sea, how can the people hope to fight back? Japanese with English subtitles.

### MONICA (15)

### ROYAL OPERA: RUSALKA (12A)

Natalie Abrahami and Ann Yee create a poetic, contemporary new staging of Dvořák's lyrical fairy tale, revealing our uneasy relationship with the natural world and humanity's attempts to own and tame it. Semyon Bychkov conducts an all-star cast featuring Asmik Grigorian in the title role.

### POOR THINGS (18)

From filmmaker Yorgos Lanthimos (The Favourite) and producer Emma Stone comes the incredible tale and fantastical evolution of Bella Baxter (Stone), a young woman brought back to life by the brilliant and unorthodox scientist Dr. Godwin Baxter (Dafoe). As Atlantis faces imminent devastation, Arthur Curry must navigate the treacherous waters of familial conflict and forge unity to save his kingdom and loved ones from irreversible destruction.

### FRIGHT NIGHT: RAGING GRACE (15)

Joy (Max Eigenmann), an undocumented Filipina cleaner moving from house to house in London with her impetuous daughter Grace in tow, is saving up her meagre cash payments to get a visa and a more stable home for them both. Stuck in a roundabout of precarious employment, deportation fears and casual, constant put-downs by her employers, Joy cannot afford to stand still.
