United with Chani (Zendaya) and the Fremen, Paul seeks revenge for the destruction of House Atreides. With a stellar ensemble cast including newcomers Austin Butler & Florence Pugh, Dune: Part Two promises an enthralling continuation of the Sci-Fi adventure.

NATIONAL THEATRE LIVE: THE MOTIVE AND THE CUE (15)

Sam Mendes (The Lehman Trilogy) directs Mark Gatiss as John Gielgud and Johnny Flynn as Richard Burton in this fierce and funny new play. 1964: Richard Burton, newly married to Elizabeth Taylor, is to play the title role in an experimental new Broadway production of Hamlet under John Gielgud's exacting direction. But as rehearsals progress, two ages of theatre collide and the collaboration between actor and director soon threatens to unravel. Written by Jack Thorne (Harry Potter and the Cursed Child) and designed by Es Devlin (The Crucible), the Evening Standard award-winning best new play was filmed live during a sold-out run at the National Theatre.

Their friendship blossoms, and they become inseparable, together exploring the sights and sounds of 1980s New York. But one summer night, Dog, with great sadness, is forced to abandon Robot at the beach. Will they ever meet again? **Autism Friendly screening on Sun 24 March.**

CROPSHARE PRESENTS: SIX INCHES OF SOIL (PG) WITH Q&A

Six Inches of Soil is a British independent full feature documentary shining a spotlight on soil health and regenerative farming. It tells the inspiring story of young British farmers standing up against the industrial food system and transforming the way they produce food – to heal the soil, our health and provide for local communities. The film follows the story of three new farmers on the first year of their regenerative journey to heal the soil and help transform the food system.

PERFECT DAYS (PG)

Winner of the Best Actor award at Cannes 2023, Koji Yakusho stars as Hirayama, a contemplative middle-aged man who lives a life of modesty and serenity, spending his days balancing his job as a dutiful caretaker of Tokyo's numerous public toilets with his passion for music, literature and photography. As we join him on his structured daily routine, a series of unexpected encounters gradually begin to reveal a hidden past that lies behind his otherwise content and harmonious life.

ROYAL OPERAL MADAMA BUTTERFLY (12A)

When American naval officer Lieutenant Pinkerton marries young geisha Cio-Cio-San in Nagasaki, Japan, she believes they are making a binding promise for life. Years pass with no sign of Pinkerton's return, but still she waits for the day when his ship will sail into the harbour. For all the beauty and romance of the music, Puccini's Madama Butterfly remains a deeply moving – and troubling – story, fatally bound up with the destructive forces of imperialism. This Season there are two chances to catch Moshe Leiser and Patrice Caurier's poignant, painterly production, with Kevin John Edusei conducting three fantastic casts.

OSCAR WINNER - BEST PICTURE

For one night only we will roll out the red carpet and screen the 2024 Oscar winning Best Picture. Catch the best films that everyone has been talking about at the recent Golden Globes, BAFTAs and Oscars. Who's your winner? Oppenheimer, Anatomy of a Fall, The Holdovers, Poor Things, Killers of the Flower Moon, American Fiction, Past Lives, Barbie, Zone of Interest or Maestro?

EASTER CINEMA! KUNG FU PANDA 4 (PG)

This spring, for the first time in almost a decade, comedy icon Jack Black returns to his role as Po, the world's most unlikely kung fu master, with a hilarious, butt-kicking new chapter in DreamWorks Animation's beloved action-comedy franchise: Kung Fu Panda 4.

After three death-defying adventures defeating world-class villains with his unmatched courage and mad martial arts skills, Po, the Dragon Warrior (Golden Globe nominee Jack Black), is called upon by destiny to give it a rest already. More specifically, he's tapped to become the Spiritual Leader of the Valley of Peace.
