WHAT'S ON 5 – 18 JULY

BAD BOYS: RIDE OR DIE (15)

The Bad Boys are back but with a twist! When their late police captain, Conrad Howard, is claimed to have been linked with Miami drug cartels, Mike and Marcus take on the dangerous mission of investigating corruption within the Miami PD, in an attempt to clear their late captain's name. When a setup turns them into fugitives, forcing them to work outside the law to solve the case, Miami's finest detectives become Miami's most wanted.

INSIDE OUT 2 (PG)

Disney and Pixar's "Inside Out 2" returns to the mind of the newly teenage Riley just as headquarters is undergoing a sudden demolition to make room for something entirely unexpected: new Emotions! Joy, Sadness, Anger, Fear and Disgust, who've long been running a successful operation by all accounts, aren't sure how to feel when Anxiety shows up. And it looks like she's not alone...

FREUD'S LAST SESSION (12A)

In his final days, Sigmund Freud, a recent escapee with his daughter from the Nazi regime, receives a visit from the formidable Oxford Don C.S. Lewis (The Chronicles of Narnia). On this day, two of the greatest minds of the twentieth century intimately engage in a monumental session over the belief in the future of mankind and the existence of God.

THE CONVERSATION (12A) - 50TH ANNIVERSARY

To mark the 50th anniversary of Francis Ford Coppola's (The Godfather, One From the Heart) seminal neo-noir thriller, The Conversation, we are thrilled to screen a brand-new 4K restoration of the Palme D'or winning film. The Conversation focuses on Harry Caul (Gene Hackman), a detached and paranoid surveillance expert who finds himself becoming a victim of the same modern technology he uses to destroy others.

BYE BYE TIBERIAS (15) *French, Arabic with English subs*

It's clear that Abbass (Lemon Tree, Insyriated, Blade Runner 2049, Succession) was always destined to be a major screen presence. Soualem's love letter to her mother follows the actor as she returns home to the village she grew up in. Drawing on a rich trove of archive footage, this beautiful and intimate documentary finds the artist returning home and reconnecting with the women of Tiberias, Palestine and beyond.

ROSALIE (15) *French with English subtitles*

France, 1870. Rosalie is a young woman with a secret... She was born with a face and body covered in hair. A genuine bearded lady. She's kept her secret safe all her life, until Abel, an indebted bar owner, marries her for her dowry. Now, she no longer wishes to hide. A story of hope and radical self-acceptance, ROSALIE is a beautiful and bold romance from director Stéphanie Di Giusto, starring Nadia Tereszkiewicz and Benoît Magimel.

KINDS OF KINDNESS (CERT TBC - 18)

Hot on the heels of Oscar favourite Poor Things, filmmaker extraordinaire Yorgos Lanthimos reunites with Best Actress-winning Emma Stone for their exhilarating third feature collaboration. Featuring a staggering supporting cast which includes Willem Dafoe, Margaret Qualley, Jesse Plemons and Hong Chau, this deliciously dark tantalising trilogy of tales is one of the hottest cinematic tickets of the year.

With the help of the extravagant Captain Nanhe and his fantastical Deep Sea Restaurant, Shenxiu embarks on a soul-discovering journey to reunite with her mother. Deep Sea is a heartfelt coming-of-age story that took several years to make. It uses pioneering CG animation that celebrates the splendour of Chinese ink painting.

YOUNGER (15)

Younger follows a group of female athletes in their 60s, 70s and 80s over the course of a year as they prepare to compete in masters competitions. In these competitions, athletes compete in age groups that span five years, 60-64, 65-69 etc. When an athlete moves up an age group they are then the youngest, and this means they are more likely to win or break records. So, as they approach the top end of their classification, they look forward to being a year older and moving up to the next group where they will be the new kid on the block again.

SEVEN BRIDES FOR SEVEN BROTHERS (U)

This Oscar-winning musical comedy is a brilliant explosion of colour and energy, with the dance scenes acknowledged as some of the genre's very best. The light-hearted, old-fashioned plot has a rough-edged farmer coming to realise that he needs a wife - but it's only once the vows have been made that he tells his bride about the six brothers he expects her to look after as well. Furious, she sets about civilising the unruly brood. **All welcome to these screenings!**

NT LIVE: PRESENT LAUGHTER (PG)

The multi award-winning production of Noël Coward's provocative comedy featuring Andrew Scott (Vanya, Fleabag) returns to the big screen. As he prepares to embark on an overseas tour, star actor Garry Essendine's colourful life is in danger of spiralling out of control. Engulfed by an escalating identity crisis as his many and various relationships compete for his attention, Garry's few remaining days at home are a chaotic whirlwind of love, sex, panic and soul-searching.
