

HEBDEN BRIDGE PICTURE HOUSE

HIRE APPLICATIONS AND BOOKING PROCESS

1. Introduction

The Hebden Bridge Picture House is a thriving single screen cinema, open 363 days a year, which enjoys a reputation for its diverse range of cinematic exhibition with a programme of films and live screenings that appeals to a broad cross-section of the local community. It also has a secondary use as a 530 seat capacity venue for commercial and non-commercial events and as such is a valuable space for the local community to present their own cinematic and small live performances.

To ensure the safety and security of hirers, performers and the public and also to maintain the safety and security of our listed building and the valuable assets within it, all hires of the Picture House for whatever purposes are run from a technical support and front of house perspective by Picture House staff. This also ensures the integrity of our venue, the enjoyment of visitors, and helps to maintain the Picture House's reputation and excellent customer service profile both when operating as a cinema and as a venue for non-screening events.
