ONLY THE RIVER FLOWS (15)

His superiors are pleased, but Ma wants to delve deeper. Witnesses and suspects multiply and confuse, while further crimes take place, and Ma's grip on reality within this rich, labyrinthine maze of clues begins to falter. Shot in grimy, grainy tones, deploying elements of surrealism, it's a playful, unusual and wonderfully mysterious psychological journey. Chinese with English Subtitles.

KNEECAP (18)

Rich Peppiatt's raucous and infectious debut feature is a heightened tale of proudly Irish rap trio Kneecap's origin story, as Liam Óg Ó hAiní, Naoise Ó Cairealláin and JJ Ó Dochartaigh kick-start a musical revolution. Of the 80,000 native Irish speakers, 6,000 live in the North of Ireland and three of them became a rap group called Kneecap. This is the real-life story of how the anarchic, politically-charged Belfast trio - comprising childhood best friends Liam Óg Ó hAiní, and Naoise Ó Cairealláin, along with high school teacher JJ Ó Dochartaigh - became the unlikely figureheads of a civil rights movement to save and reinvigorate their mother tongue.
