## MEGALOPOLIS (15)

Megalopolis is a Roman Epic fable set in an imagined Modern America. The City of New Rome must change, causing conflict between Cesar Catilina (Adam Driver), a genius artist who seeks to leap into a utopian, idealistic future, and his opposition, Mayor Franklyn Cicero (Giancarlo Esposito), who remains committed to a regressive status quo, perpetuating greed, special interests, and partisan warfare.

## PADDINGTON (PG) - ALL TICKETS £2

A young bear (voiced by Ben Whishaw), originally from Peru with a passion for all things British, travels to London in search of a home. Lost and alone at Paddington Station, he is saved by the friendly Brown family, including Mr. Brown (Hugh Bonneville), who read the label around his neck reading "Please look after this bear" and take him under their wing. Fantastic animation and a stellar cast, including Nicole Kidman, Hugh Bonneville, Michael Gambon and Peter Capaldi, Paddington is a real treat. **Tickets are only £2 PLUS Picture House Members can watch for FREE!**

## THE OUTRUN (15)

After a decade away in London, 29-year-old Rona returns home to the Orkney Islands. Sober but lonely, she tries to suppress her memory of the events which set her on this journey of recovery. Slowly the mystical land enters her inner world and - one day at a time - Rona finds hope and strength in herself among the heavy gales and the bracingly cold sea. Based on the best-selling memoir by Amy Liptrot, THE OUTRUN is set in the otherworldly Orkney Islands of Scotland. A brutally honest drama about addiction and recovery, strength and survival, mental health and the ability of the sea, the land and of people to restore life and renew hope.

## WOMENS ADVENTURE FILM TOUR (PG)

The Women's Adventure Film Tour is back with its highly anticipated 8th season. It features an exhilarating selection of 8 new short films that showcase the inspiring journeys of remarkable women who have fearlessly pursued adventure in various fields. This year's tour promises to captivate audiences with incredible stories of determination, courage, and triumph. Unlike traditional adventure films focusing solely on extreme feats, this tour aims to inspire everyone to step outside their comfort zone and challenge their boundaries - their personal Everest. It's a celebration of bravery, perseverance, and the indomitable spirit within us.

## PADDINGTON 2 (PG) - ALL TICKETS £2

The sequel to 2014's hit Paddington. Original cast members Hugh Bonneville and Sally Hawkins return alongside newcomers Hugh Grant and Brendan Gleeson. While searching for the perfect present for his beloved Aunt Lucy's hundredth birthday, Paddington spots a unique pop-up book in Mr. Gruber's antique shop, and embarks upon a series of odd jobs to buy it. But when the book is stolen, it's up to Paddington and the Browns to unmask the thief.

**Tickets are only £2 PLUS Picture House Members can watch for FREE!**

Our doors open 30 minutes before the start time listed, unless stated otherwise. Films start approximately 30 minutes after the programme (adverts & trailers) start time shown.

## ROYAL BALLET: ALICE'S ADVENTURES IN WONDERLAND (12A)

At a garden party on a sunny afternoon, Alice is surprised to see her parents' friend Lewis Carroll transform into a white rabbit. When she follows him down a rabbit hole, events become curiouseer and curiouseer... As Alice journeys through Wonderland, she encounters countless strange creatures. She's swept off her feet by the charming Knave of Hearts, who's on the run for stealing the tarts. Confusion piles upon confusion. Then Alice wakes with a start. Was it all a daydream?

## JOKER: FOLIE À DEUX (15)

Arthur Fleck is institutionalized at Arkham awaiting trial for his crimes as Joker. While struggling with his dual identity, Arthur not only stumbles upon true love, but also finds the music that's always been inside him. From acclaimed writer/director/producer Todd Phillips comes Joker: Folie À Deux, the much-anticipated follow-up to 2019's Academy Award-winning Joker. The new film stars Joaquin Phoenix once again in his Oscar-winning dual role as Arthur Fleck/Joker, opposite Oscar winner Lady Gaga ("A Star Is Born").

## SPRECHEN CINEMA PRESENTS: NOSFERATU (PG) WITH LIVE-RESCORE

Sprechen music presents a new way of seeing F. W. Murnau's silent horror classic Nosferatu with a reimagined sound-track mixed live by Chris Massey and Richie V featuring music by the likes of Teeth Of The Sea, Tangerine Dream, Ambienti Coassiali, Fuck Buttons, Sunno & Boris, Prins Thomas, Cristobal Tapia De Veer, Pendle Coven, Carlton Melton, Ulver, Claudio Simonetti & more. "The Nosferatu of Max Schreck is unforgettably grotesque from his very first appearance... Tall, cadaverous, bald, bat-eared and rabbit-toothed, he moves with short jerky steps, taloned hands close to his sides, as if still holding the shape of his daytime coffin."
