WE LIVE IN TIME (15)

An inventively structured romantic drama from director John Crowley (The Goldfinch, Brooklyn) that explores how to make the most of our time in this world.

Almut (Florence Pugh) and Tobias (Andrew Garfield) are brought together in a surprise encounter that changes their lives. As they embark on a path challenged by the limits of time, they learn to cherish each moment of the unconventional route their love story has taken, in filmmaker John Crowley's decade-spanning, deeply moving romance.

LORD OF THE RINGS: THE WAR OF THE ROHIRRIM (12A)

Set 183 years before the events chronicled in the original trilogy of films, "The Lord of the Rings: The War of the Rohirrim" tells the fate of the House of Helm Hammerhand, the legendary King of Rohan. A sudden attack by Wulf, a clever and ruthless Dunlending lord seeking vengeance for the death of his father, forces Helm and his people to make a daring last stand in the ancient stronghold of the Hornburg—a mighty fortress that will later come to be known as Helm's Deep. Finding herself in an increasingly desperate situation, Hera, the daughter of Helm, must summon the will to lead the resistance against a deadly enemy intent on their total destruction.

THE TASTE OF MANGO (12A)

The Taste of Mango, Chloe Abrahams' debut feature documentary, is an enveloping, hypnotic, urgently personal meditation on family, memory, identity, violence, and love. At its centre are three extraordinary women: the director's mother, Rozana; her grandmother, Jean; and the director herself. Their stories, by turns difficult and jubilant, testify to the entangled and ever-changing nature of inheritance and the ways in which we both hurt and protect the ones we love.

Winner: Best Debut Director, BIFAs 2023
Winner: Best Documentary Audience Award, BFI London Film Festival 2023
