WHAT'S ON 22 MAY - 4 JUNE

MOTHER MARY (15)

Anne Hathaway (*The Devil Wears Prada*) and Michaela Coel (*I May Destroy You*) lead this intoxicating musical fantasia from director David Lowery (*A Ghost Story*). Long-buried wounds rise to the surface when iconic pop star Mother Mary reunites with her estranged best friend and former costume designer Sam Anselm on the eve of her comeback performance. With original music by Charli xcx, Jack Antonoff and FKA Twigs.

SHREK 25TH ANNIVERSARY (U)

In honour of its 25th anniversary, DreamWorks Animation's Oscar®-winning classic *Shrek* is back on the big screen - so we're celebrating with £2 tickets for all! It ain't easy bein' green, especially if you're a likable (albeit smelly) ogre named Shrek. On a mission to retrieve a gorgeous princess from the clutches of a fire-breathing dragon, Shrek teams up with an unlikely compatriot - a wisecracking donkey.

THE SHEEP DETECTIVES (PG)

In this witty, new breed of mystery, George (Hugh Jackman) is a shepherd who reads detective novels to his beloved sheep every night, assuming they can't possibly understand. But when a mysterious incident disrupts life on the farm, the sheep realise they must become the detectives. As they follow the clues and investigate human suspects, they prove that even sheep can be brilliant crime-solvers.

THE CHRISTOPHERS (15)

A mainstay of the London art scene since his starry breakout in the creative explosion of the 1960's, Julian Sklar (Ian McKellen) has drifted into a cluttered, self-imposed seclusion. His two estranged children enlist Lori (Michaela Coel), a young painter and sometime-forgery, to pose as a prospective assistant and gain access to a fabled series of unfinished canvases Julian has buried deep in his home studio, in a deceptive bid to secure an inheritance for themselves.

NORTHERN SOUL: STILL BURNING (15)

Following on from 2012 documentary *Keep on Burning - The Story of Northern Soul*, this new film further explores the cultural phenomenon that is Northern Soul. The film charts how this movement has weaved and transformed itself musically and culturally through the decades. Northern Soul continues to re-invent itself more than any other music genre, remaining as vibrant and relevant today as when it first evolved.

THE DEVIL WEARS PRADA 2 (12A)

As Miranda Priestly nears retirement, she reunites with Andy Sachs to face off against Emily Charlton, her former assistant turned rival, as they compete for advertising revenue amidst declining print media. The film reunites the original main cast including Meryl Streep, Anne Hathaway, Emily Blunt, and Stanley Tucci with director David Frankel and writer Aline Brosh McKenna.

THE NORTH (15)

Bart Schrijver's acclaimed drama follows former best friends and roommates Chris (Bart Harder) and Lluís (Carles Pulido), who meet up after a decade to hike Scotland's West Highland Way and Cape Wrath Trail. Having taken the same 350-mile walk in their youth, the pair hope to rekindle their once-strong friendship by spending 30 days together in the majestic, raw beauty of the Scottish Highlands. "A majestic drama...purifying and uplifting" *The Guardian* ★★★★★

NATIONAL THEATRE LIVE: THE PLAYBOY OF THE WESTERN WORLD (12A)

Pegeen Flaherty's life is turned upside down when a young man walks into her pub claiming that he's killed his father. Instead of being shunned, the killer becomes a local hero and begins to win hearts, that is until a second man unexpectedly arrives on the scene... Filmed live on stage at the National Theatre, Caitríona McLaughlin directs this darkly funny tale full to the brim with secrets. Starring Nicola Coughlan, Éanna Hardwicke and Siobhán McSweeney.

TOM & JERRY: FORBIDDEN COMPASS (PG)

Everyone's favourite cat and mouse duo are back! During a chase inside a museum, Tom and Jerry find a magical object and end up being transported through time. Lost in a distant era, they will need to work together to find a way back home.

Get ready for laughs, chaos, and surprises with Tom & Jerry: Forbidden Compass - fun for the whole family!

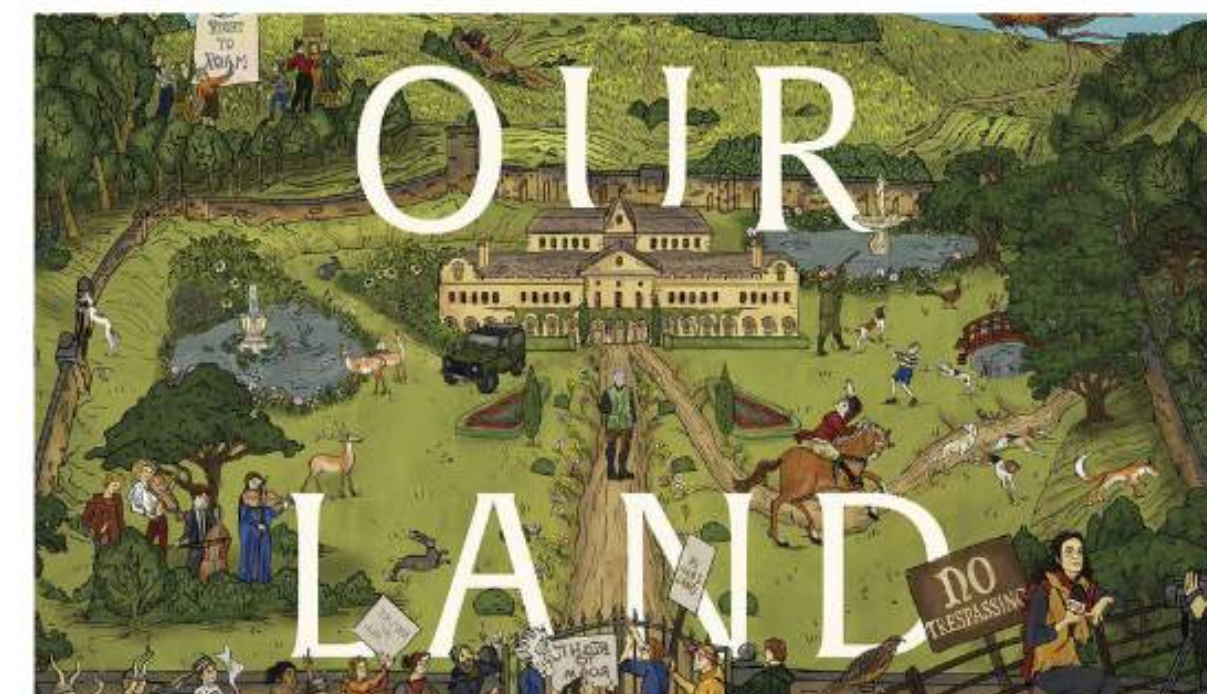

MY MOTHER'S WEDDING (15)

In this heartfelt and funny story, three sisters (Scarlett Johansson, Sienna Miller, Emily Beecham) return to their childhood home for a momentous occasion: the third wedding of their twice-widowed mother (Kristin Scott Thomas). Over the weekend, the family gathers to celebrate the new marriage, but mother and daughters alike are forced to revisit the past and confront the future, all with help from a colorful group of unexpected wedding guests.

FRIGHT NIGHT: FROM DUSK TILL DAWN (18)

Everybody be cool... The Gecko brothers, outlaws on a wild crime spree, kidnap a father and his kids and head south to a seedy Mexican bar to hide out. But soon they realise they're not in a typical bar: the entire place is teeming with vicious, blood-sucking vampires. Featuring a cast including George Clooney, Harvey Keitel, Juliette Lewis, Salma Hayek and Quentin Tarantino.

OUR LAND (12A)

Our Land dares to tread where few have trespassed before, asking the timely question of who has the right to roam in the English countryside? The film takes us to the heart of the 'Right to Roam' movement as it embarks on a provocative trail of mass trespass, campaigning and education, while also exploring landowners' concerns around environmental protection and the danger such widespread access could pose to a landscape already under threat.
